

WC150

The presence of calcium and magnesium, or “hardness”, in your water makes life difficult on your appliances, your plumbing, your laundry, and you. To alleviate some of these hardships, the Origins WC150 Water Conditioner by Aerus, will soften your water by removing the hardness minerals and create a much easier life for your family, and your home.

Exclusive ceramic core valve
by Aerus Origins™

Features

- Fully ported electronic valve affords fully automated, metered functionality
